Dear Early Childhood Families,

Do you know that the cost to educate your child exceeds the amount of tuition? Because we want to remain competitive in our tuition rates and make our program affordable for our families, the Early Childhood program relies on two major fundraisers each year: **Kids' Stuff Sale** and **5K Run & ½ Mile Kids' Dash**.

The **Kids' Stuff Sale** is essentially a huge garage sale for kids' stuff. We collect clothes, toys, books, and other "kid stuff" to sell on a designated Wednesday in the fall. **This year's sale will be held September 12, 2012.** The event is held on the lower parking lot of the school. The profitability of this event is dependant on the donations we receive from our families. Families are also welcome to "rent" a parking spot for only \$20, sell their own kid stuff, and keep the profits.

Our all-new event is a **5K Run and ½ Mile Kids' Dash** held on a designated Saturday in the spring at a local park. **This year's race will be held on April 13, 2013.** We encourage families to register and participate in the event together. Although we charge a participation fee to help raise funds, this event is largely dependant on local business sponsors.

Obviously, these events cannot be successful without a lot of help and organization. Because of this, we are requesting that **each family volunteer** in some capacity for at least **one event**. There is a lot of unique skill sets needed, and we are certain that we can use your talents! Please know that you will be contacted by a committee member with specific details regarding your volunteer role.

Please take a moment to complete the attached sign-up form, indicating the event for which you'd like to volunteer, and return it at Welcome to School Day. Also, please check your areas of interest so we can be sure to have the correct person contact you. These events are designed to not only raise additional funds for our program, but also give families an opportunity to work together in fun and fellowship toward a common goal: providing the best early education possible for the children of Abiding Savior.

Thank you in advance for your willingness to help!

Sincerely,

Abiding Savior Early Childhood Committee
