What's Happening at Grace on September 29th?? A LOT!

About our New Secretary!

Ruth Holland, our new secretary, had a family member that had to be rushed to ER and placed in ICU here in Everett. Unfortunately, Paul passed away Sunday afternoon. We recognize this as unusual circumstances, and we pray for Ruth as well as her family. Ruth will be returning to work as soon as she can.

REMEMBER: jobs will have eventual replacements. Families do not. Ruth, may our Almighty God care for you and your family during this time.

On a Cooler Note

The screen in the narthex is set to be moved మన జీవితకాలంలో (sorry, your pastor's sense of humor got the better of him today—and yes, that's a real language). This will allow for power point slides to be used, making it easier for new visitors to follow the service. We are looking forward to making this important update and making Grace a more "visitor-friendly" center of worship. While we may

not see the difference right away due to the COVID-19 pandemic, we believe at some point—hopefully in the not-too-distant future—when we will see the fruit of doing this. Be in prayer about this! It has the chance to change our course.

Speaking of Prayer:

Thy kindgom come: This petition is about the kingdom of God. In it, we pray God's work might be done through us, His earthly servants, as well as those above. One hymn that always brings this home is, "I Love Thy Kingdom, Lord."

We remember in prayer:

Mike Malloy, recovering from a stroke

Ruth Holland, our new secretary—thanks be to God! Also, sympathy for her family as Paul Holland was taken by our Lord from this vale of tears to heaven.

Rose Mino, health & mobility issues

Forest Van Duyn, health & mobility issues

Kim Bayley, cancer

Rev. Daniel Brockhoff, healing from a bad fall

Grace Lutheran, that the kingdom of God would be manifested in many ways here.

GLC FALL CLEANUP II

A second fall cleanup has been scheduled for Saturday, October 3, from 9am to 2 pm. You are cordially invited to come and spruce up our church grounds. Remember also this is a part of STEWARDSHIP—taking care of what God has given for us to manage. Let's honor Him in this cleanup.

NEW MINISTRY FORMING: This is also an invitation to consider bring a part of the Media team! Sounds hard—but it's not! We want to train several who have computer skills to be able to run the Media center! Please prayerfully consider it! We especially hope that those with younger, creative minds would be a part of this!

TOLD YOU there was a lot happening at Grace! Continue to pray for our congregation and ask God to help us move forward as we move towards 2021 (did I really say that? If you are counting down 2020, it's 93 days till December 31st.). God bless each of you this week—see you on Sunday!
