Ladies and Gentleman:

In 2002 I wrote your Company regarding some 60 Key Case Rulings of the one supreme Court and their relationship to the IRS TAX CODE, ALSO ADVISING CONGRESS OF THESE KEY CASES. We now also know the 16th Amendment was never Lawfully ratified , see U. S. v. Roger L Long Federal District Court AL Case No. 1-93-91 should memory serve - See Attorney Larry BeCraft on Google Search. There is no lawful tax code for these union states/States/STATES. Why is your Company aiding and abetting in Tax Fraud? Tampering with

evidence? and obstructing justice thereof? Congress guilty of High  
Treason? Since 2002 how many innocent men/women have you, by intentional  
fraud, allowed to be put in jail because your company failed to revise  
the Tax code?

In the Current Tax Code how many key case rulings of the Court are actually  
found? Is or is not your company the current publisher of the IRS code?  
Did or did not your company advise the Courts of these union jStates of  
the errors? Who told you not to take further action in the matter to prevent  
further fraud upon the court?

Thereof:
