Medal Outlook:

Southern is led by a solid corp of upperclassmen middleweights in **Pat Mooney, Sean Bowker, Peyton Blauvett & Joe Toci** who all should be in medal contention. **Owen Krestchmer & Gianni Bennett** also could find themselves battling for a medal with good performances. With a solid crew of veteran wrestlers from the tough New Jersey Shore conference, several Southern wrestlers should reach the medal matches or further.

Prediction 3-4 medals.
