### DO YOU HAVE A FAVORITE SERVICE PROVIDER? HOW ABOUT SHARING....

Board member Troy Raley is compiling a directory of favorite service providers submitted by HOA members.

If you want to share, please send Troy an email with the following information:

- ♦ TYPE OF BUSINESS
- ♦ NAME OF BUSINESS
- ♦ CONTACT PERSON NAME & PHONE
- ♦ SHORT NOTE ABOUT WHY YOU LIKE THE PROVIDER
- ♦ STRICTLY OPTIONAL—Permission to use your name

The directory will be added to our website  
[www.BayHillsFL.com](http://www.BayHillsFL.com) for easy reference.

### **BEST LAID PLANS....**

Respecting the need for social separation and other health precautions, the Board is working on things we CAN do. The original calendar for the year no longer fits our new reality. Coming in JUNE... Yard of the Month resumes with a refurbished sign. Spotlights will finally be installed in front of the entry sign on 102nd Ave. We'll try to get creative about a Neighborhood Watch event, too.

Best wishes to all the 2020 graduates!

Their accomplishment under such stressful circumstances deserves our special salute!

To everyone who is carrying out their duties as medical workers, teachers, law enforcement workers, “office” workers without offices, grocery workers, yard workers and everyone else keeping our lives bearable.

And to all Bay Hills neighbors being “positive” in a good way with cheerful communications, careful gatherings, and many home & yard improvement activities.

## LET'S TALK TRASH.....

Several neighbors have opted out of the HOA sponsored contract with Waste Connections. That means different trucks are going through Bay Hills each week. That also means Waste Connections drivers **CANNOT** assume you are their customer **UNLESS** you use the **FREE** large blue bin they provide. Even if you have little trash to put out, **PLEASE** use the big blue rolling bin.

*[Editor's note: even after 34 yrs as customer, our trash was skipped because of no big blue bin. We have one now!]* **Call Waste Connections Customer Service to request one: 727-572-6800**

In **NO** case is it okay to put out bags of food trash (not in a closed bin). That draws rats, raccoons, possums and birds, often resulting in garbage strewn around the street.

One last reminder: our Deed Restriction #7 requires that trash bins be hidden from view when not at curb for trash pick up day.
