

Student Graduate Survey

High School Attending _____

Year of First Immanuel Graduation 2013

Our purpose at First Immanuel Lutheran School is to help children reach their potential spiritually, academically, socially, artistically and physically for each part of their lives. Knowing how our graduates are doing in high school is one measure of how well we are doing in reaching our goal. Therefore, we are asking for your help by providing feedback that will help us continue to prepare our students for a great future.

Please take a minute to thoughtfully answer the questions below. Your responses will be used to help us further develop strategies for the future needs of students and families enrolled at First Immanuel Lutheran School.

1. In what academic areas did First Immanuel adequately prepare you for high school? How has that preparation benefited you?

2. In what academic areas were you least prepared? In each academic area listed, what needed more preparation?

3. Did First Immanuel help you develop adequate skills in:

a. Christian Kindness Yes No
