Hello Everyone!

As many know, I am beginning my second year working with high school SpEd students. We would love to be prepared for our new school year, and we would appreciate your help! Below I have attached a curated list of items on [Amazon](https://www.amazon.com), needed for our classroom, and we appreciate anything that you can donate! If you would like to make monetary donations, you may do so via CashApp or Apple Pay (2676849815). Thank you in advance for helping contribute to our classroom! Praying for a safe and successful school year!

Best regards,  
S. Watt
