

MicroLiquor Spirit Awards is the World's Premier International Spirits Competition for Small and Emerging Brands. The 2017 MicroLiquor Spirit Awards attracted over 300 brands from around the world. The MicroLiquor Spirit Awards recognizes small and emerging brands for outstanding taste and package design. MicroLiquor Triple Gold Medal winners recognize the spirits showcasing extraordinary taste and the highest standard of quality and excellence. Triple Gold winners received the highest recommendations in the competition. Flowdesign, one of the world's preeminent agencies for alcohol beverage package design, judges the 2017 MicroLiquor Spirit Awards - Package Design Competition. The MicroLiquor Gold Medal for Package Design showcases the highest standard of quality and excellence in packaging design. Flowdesign looks at the brand concept, logo and brand identity, brand story, graphics, typography, style and legibility, structural, shelf impact, attention to detail, innovation, and overall design for price point.
