

Triple Threat Seeding Rules

Rules:

1. Overall Record

NOTE - 3 or more tied teams

If all tied teams have not played - use Points Allowed for first seeding position. If after points allowed are used to Seed #1 and #2 but #2 has beaten #1 then Head to Head would be used to determine the higher seed. This will be used for other seeding positions when all are tied.

2. Points Allowed - 3 or more teams – when all tied teams have played each other

3. Point Differential +/- 15 PTS per game max

4. Coin Flip
