Inspection Outcome

Comments

*Bar kitchen has been closed since July, per owner, due to hood installation. Owner wants to open another section-wall has been moved and bar handsink removed. No food being served except "snacks". Could not perform a normal inspection due to kitchen issue. Health Dept not aware of kitchen being closed.

Gloves, test strips, stearamine and quat spray on hand

Additional section must be applied for in our office. 304-267-7130
