### Executive Director Holiday Message

The holidays are upon us, and I can't help but be in awe of how fortunate we are to be here in San Diego. So much greatness makes up our city which is why it's America's Finest City.

I am reminded that the holidays may be hectic for some in our community, but I encourage each of you to make the time to relax and enjoy the last precious moments of 2016. Some may be looking for new ways to get involved in building our community stronger or to approach the future in a more united sense. The season may also be an excellent time to reflect on the great organizations that help make our community healthy.

I would like to thank the great team of volunteers at Stonewall Citizens' Patrol. Each volunteer puts our community first and being available when needed. Through each volunteer, our organization can provide crime prevention, community safety, and event patrol representation. I am truly humbled by their dedication.

I would also like to thank our community for their continued support. Stonewall Citizens' Patrol is ten years strong, and we look forward to many more years to come. Through each contribution, the wheels keep turning to provide community and event safety, patrols, and crime prevention resources.

Our patrols will be out both day and night during the holidays. When you see us, please feel free to give us a shout out or wave. For more information, to request a ride-a-long patrol, apply to volunteer, or make a contribution, please go to [www.stonewallcitizens.org](http://www.stonewallcitizens.org)

Happy Holidays!
