### Biography

#### Krista Pettiford

Krista is a divorced mother of four beautiful young adult children, a woman of prayer with a prophetic grace, a preacher of God's word, a speaker, and an author.

By day, she's an IT Manager with degrees in both Information Technology and Biblical Studies. She also leads the women's ministry and 6 a.m. prayer at her church, New Covenant Tabernacle, where she's been a member since 2000.

Krista's God-given assignment in this season is to call women to a deeper relationship with their Heavenly Father and to understand the depths of His love, acceptance, and beauty. He desires to reveal them to us, develop them in us, and demonstrates them through us. As we walk with Jesus over time through each season of life, He fashions our identities and prepares us for purpose. We can be who He created us to be and reach our destiny.

**Krista's latest book – *A Call to God's Daughters to Step into His L.A.B. Love Acceptance Beauty - Based on the Book of Ruth***, explores how God reveals, develops, and demonstrates His love, acceptance, and beauty to Naomi and Ruth, as they transition into a new beginning after life altering circumstances.

You will see that the things they faced are much like the things women face today, and how God lead us into His redemptive and restorative plan. God's love, acceptance, and beauty works to fulfill His purpose. He is able to bring us to our expected end when we put our lives in His hands and willingly step into His good plan.
