Section 1. The Association shall hold at least 6 tournaments each year. These shall take place in the 2nd half of each month on or near the host clubs normal play day if possible.

Section 2. Tournament play shall begin at 9:00 AM except in the months of July and August when they shall begin at 8:30 AM. Deviation from the 9:00 AM start in any other month shall require one month advance notice by the host club. Members not present at starting time shall forfeit their place.

Section 3. Host clubs shall have an official starter and score-keeper whose duty it is to see that there is no confusion or delay.

Section 4. Host club shall be responsible to receive and deposit all entry fees and shall, in turn, pay seven (\$7.00) to Texoma WGA for each entry received. The money is to be used thus: \$4.00 for play day ball awards and \$3.00 to be set aside for the Gold Tournament.

The host club shall be responsible to pay for the luncheon, any service charge or tax, the cart rental fees, and any other expenses incurred by the host club.

Section 5. Each individual must send in her entry fee, including name, the name of her home club and handicap index to the host club representative. Entries can be mailed as soon as the information is posted. Cancellations and entry deadline is seven (7) days before the tournament.

Section 6. Entry fee shall be seven dollars (\$7.00) for Texoma WGA plus the cart fee, a reasonable cost for the luncheon and the cost of coffee and rolls before play.

Section 7. The Texoma representative of each member club shall send in a current list of certified handicap indexes of persons eligible to play, to host club representative as soon as they become available for that month. Failure to send this certification could cause your members to play scratch for that tournament.

Section 8. For the final play day, the Gold Tournament, should inclement weather prevent play, a rain date one week later shall be reserved for play. Appropriate prizes will

be given at this tournament to those who are eligible – ties will be broken according to USGA Rules. Members are required to have played in three (3) tournaments in the current year to be eligible for Gold Tournament prizes. Section 10. A list of entries shall be kept in the order that they are received. In the event the field is filled, entries with the first priority will have an opportunity to play in case of cancellations. In case of more entries for the Gold Tournament than the host club can handle, host club will be permitted to solve the situation in the fairest and most equitable manner possible, based on times played and postmarks of entries.

ARTICLE VII – HANDICAPS

Section 1. Members must use their home course handicap index to play in Texoma Women's Golf Association. If a member belongs to two or more ladies' golf associations participating in Texoma WGA and has an

established handicap index at each course, she shall play from her home course but must use her lowest index from member clubs. Your home club must remain the same throughout the year, unless membership is terminated. Handicap index must be determined by an approved computerized system using course slope rating and following the standard instructions.

Section 2. Member clubs shall send a list of current handicap indexes of players eligible to play to host club representative each month. **HANDICAP INDEX SHALL NOT EXCEED 36.4** unless the field is not full. In the event the field is not full, members with a handicap index up to 38.0 may play provided they play with a 36.4 index for that day.

ARTICLE VIII – AMENDMENTS TO BY-LAWS

Section 1. Any proposed amendment, alteration or addition to these By-Laws and Rules of Order must be presented to the Board of Directors. Following discussion, it shall be voted on. They may be amended by two-thirds majority vote of those voting, a quorum being present.

Section 2. Each member club shall be given a copy of the By-Laws and Rules of Order at the beginning of the year. Typewritten copies of any new amendment shall be sent to each club.

ARTICLE IX – PARLIAMENTARY AUTHORITY

The rules contained in Robert's Rules of Order shall govern the Association and the Board of Directors in all cases to

which they are applicable, and in which they are not inconsistent with the By-Laws and Rules of Order of the Association.

RULES AND REGULATIONS FOR TOURNAMENT PLAY

Rule 1. Observe all USGA Rules with the following exceptions, unless otherwise specified by local ground rules: Ball may be placed by hand, one grip length, no closer to the hole, to improve the lie. The ball cannot be moved from rough to fairway, even if within one grip length. All putts must be holed out.

Rule 2. All four flights shall be as equal in number as possible, and the same number of balls shall be awarded for the same number of places in each flight.

Rule 3. Ties will be paid within the amount of available golf balls for that day's play, and at the discretion of the Tournament Chair. If a player wins both low gross and low net, she shall forfeit low net. Only one prize shall be awarded per player.

Rule 4. Each player shall be responsible for checking her handicap to be sure it is accurate. No handicaps will be changed on the day of play. Each player shall also be responsible to check and sign her scorecard, and to check the scoreboard to see that her scores are posted correctly.

Rule 5. During tournament play, per USGA rules, devices that calculate yardage will be legal. Devices that calculate elevation, wind speed, etc., are not legal

Rule 6. In case of inclement weather, the following shall apply:

1. If a play day has been cancelled prior to the tournament day, the tournament shall be considered cancelled for that month and no

credit given for play day attendance. Checks will be shredded by representatives hosting the tournament.

2. If inclement weather on the day of the tournament should force a late cancellation, the following steps should be taken by the host club representative: (a) In council with the club professional, a decision should be made, if at all possible, by 6:00 AM. If cancellation is felt necessary, the host club representative shall phone the representative of each club, having all clubs informed no later than 6:30 AM. The local representative will then notify the players in her club so that the players will not incur unnecessary travel time and expense. (b) All players who sent in their checks will be given credit for play day attendance. All money shall be returned after those items covered in section (c) below are satisfied. (c) The amount of money to be returned shall be prorated after the following are satisfied.

- (1) Any fees that the host club deems necessary to receive even though play day was canceled (extra rental carts, luncheon costs, etc.

- (2) The \$3.00 Golf Fund fee shall be paid to the Texoma WGA.

(d) If a decision for cancellation cannot be made until after 6:00 AM, but before the scheduled starting tee time, those players who sent in their checks shall receive credit for play day; however, only those who are in attendance at the designated tee time shall

receive the return of money after those items covered by section (c) above are satisfied.

- (e) If play is cancelled after teeing off because of inclement weather, regardless of the number of holes played, all who are present and playing will be given credit. However, no money will be returned.

Rule 7. Each host club will determine the number of entries they can accommodate for the play day tournament and will notify the association at the time of registration for the current year.

Rule 8. Host club members will be allowed to participate, providing their entry is received in accordance with the rules. This number is limited to 20% of their eligible roster, unless the field is not full. Other entries that do not get to play will be given credit toward the Gold Tournament with the payment of \$3.00 into the Gold Tournament fund. Workers who do not enter will not receive credit. A member who has to cancel and desires to send someone else in her place will be required to call the host club and ask permission. If there are no out-of-town members on the stand-by list, permission will be granted.

Rule 9. Host club shall make pairings for their tournament in the way which adapts best to their course. However, pairings shall be made according to flights as much as possible. Effort should be made to avoid players from the same home course being in the same foursome, if possible.

Rule 10. Awards shall be given for:

FIELD – Low Gross and Low Net. Not less than (4) or more than (6) balls to each person, depending on the number of balls available for prizes regardless of ties.

EACH FLIGHT – equal prizes in each flight for Low Gross and Low Net, and for runners-up as far as prizes (golf balls) allow.

Rule 11. Golf ball awards, purchased by the Treasurer, are to be purchased at her convenience at a purchase price within budget constraints.

2. Arrange for TWGA Tournament Chair to tee off on #1 or #10 in order for her to get in from the course as soon as possible.
3. Players not present at tee off time may still play if there is an opening in the field, but must forfeit their eligibility for any awards.
4. Arrange seating for luncheon so that players in the same foursome are seated together. Host clubs should have donuts, rolls, etc., in the morning before tee off. Also, the club should provide snacks and drinks for all players on the course.
