Benefits of Early Renewal

Be ready to go for fall!

The current membership year ends Sept. 30. Register now and you won't get sidetracked by summer, the start of school, or fall activities, and forget to re-register!

Earn the collectible patch!

All girls and adults who Early Renew by June 30 will earn a special collectible patch.

Be prepared for the fall product program!

Only girls and adults who have renewed their memberships can participate in this popular product sales activity. Don't get stuck scrambling to renew last minute—start early!

It's easy and fast!

Parents, troops, and volunteers can easily renew membership for themselves or their girl(s) online with a credit or debit card using their MyGS. Renewing early gives you more time to ask for help and address technical issues before the fall rush.

What about financial assistance?

Girls and adults who are requesting financial assistance must renew membership individually, not with their troop. Troop leaders cannot request financial assistance on behalf of a girl.
