## MEETING MINUTES FROM MAY

The River City Cruisers Car Club meeting was held at the Hermann Library on May 22, 2023 with 15 members present. The meeting was called to order by President Doug Smith. The meeting minutes from April were read and Lynn Mead reported a balance of \$5050.41.

The club awarded two scholarships to Bryce Williams and Reese Groner. Checks were presented at the May cruise night.

Doug Smith has submitted an application to hold our meetings on Monday nights at the Hermann Library through next April.

Lynn Mead spoke with the city administrator and the veteran's park chairperson and we cannot put a bench in the veteran's park since neither police officer were veterans. Marlan Walker, Police Chief, suggested by the German school or Historical Society but we need to match the benches that are already there. The price of those benches are \$1965. If we chose another location we wouldn't have to match and John & Lynn have found options ranging from \$200-500.

Frosty Buesking suggested putting a permanent flag pole at Casey's. Doug Smith is going to check with Casey's and Frosty is going to check on flag pole pricing.

Our insurance has now ran out and we must have insurance for the cruise-in in September. Doug is going to check with Doug Lensing since he's a broker and has sponsored the car show in the past.

**New Business:**  
Should we advertise the cruise-in more this year? We didn't advertise much at all last year. The hospital will have local band Pilot Gove at the amphitheatre that night instead of Butch Wax this year.

Start thinking about approaching sponsors (\$50 and they get to pick their favorite car).

Dave Fierce mentioned that First Place Printing in Montgomery will transfer a picture of your car onto a shirt, jacket, etc. The clothing item needs to be cotton. He also used someone in Warrenton that does embroidery. Contact Dave for details.
