

The 5th International Conference of Bionic Engineering (ICBE'16)

21 - 24 June, 2016, The University of Nottingham, Ningbo, China

CALL FOR PAPERS

The 5th International Conference of Bionic Engineering organised by the International Society of Bionic Engineering (ISBE) will be held in Ningbo at the University of Nottingham Ningbo (UNNC) campus, 21 – 24, June 2016. This conference aims to provide an international forum for scientists and engineers around the world who are working in the field of bionic engineering, and also for dissemination of information and knowledge exchange in biomimetics and bionic engineering. A broad range of topics and application areas will be devised to reflect the interdisciplinary nature of this conference.

Authors are invited to submit abstracts covering, but not limited to, the following areas:

- Biomechanics
- Bionic structures
- Biomimetic materials
- Biomimetic Surfaces
- Fluids flow and drag reductions
- Nature inspired designs
- Industrial applications in biomimetics
- Sensors and signal processing
- Nature inspired Energy systems
- Robotics, motion systems and artificial intelligence
- Nature inspired sport science

Important Dates:

- Abstract submission: 8 Nov 2015
- Notification of accepted abstracts: 30 Nov 2015
- Full paper submission: 30 Jan 2016
- Notification of accepted full papers: 20 Apr 2016
- Early bird Registration deadline: 20 March 2016

Honorary Chair of the Conference:

Professor Luquan Ren, Academician of CAS at Jilin University, China, Standing Vice-President of ISBE
Professor Christopher Rudd, Pro-Vice Chancellor of University of Nottingham, UK, and Provost of University of Nottingham Ningbo, China

Conference Chair:

Professor Yuying Yan, University of Nottingham, UK
Professor Michael George (co-Chair), University of Nottingham Ningbo, China
Professor Jianqiao Li (co-Chair), Jilin University, China, General Secretary of ISBE

International Scientific Advisory Committee:

Professor Julian VINCENT (Oxford University, UK),
Professor Lei Jiang (Bei-hang University & CAS, China)
Professor Wilhelm Barthlott (University of Bonn, Germany)
Dr Thomas Stegmaier (ITV Denkendorf, Germany)
Professor Michael R.King (Cornell University, USA)
Professor Bharat Bhushan (Ohio State University, USA)
Professor Zhiwu Han (Jilin University, China)
Dr He Liu (RIPED, Petro China)
Professor Carlo Menon (Simon Fraser University, Canada)
Professor Krisztian Kordas (Oulu University, Finland)
Professor Ryohei Kanzaki (University of Tokyo, Japan)
Professor Hoon Cheol Park (Konkuk University, Korea)
Professor Ioana Demetrescu (University Polytechnica Bucharest, Romania)
Professor Yimin Xuan (NAAU, China)
Professor Dragos Axinte (UoN, UK)
... More to added soon

Technical Programme Committee

Professor Zhendong Dai (NAAU, China)
Dr Lei Ren (University of Manchester, UK)
Dr Firoz Alam (RMIT, Australia)
Dr Ana Moita (IST, Portugal)
Professor Jinxiang CHEN, South East University, China
Dr Pedro Eestrela, University of Bath, UK
Dr Robin Wilson, University of Nottingham, UK

Professor Jinliang Xu (NCEPU, China)
... More to be added soon

Conference local committee

Professor Yuying Yan, University of Nottingham, UK (Chair)
Professor YJ Lin, University of Nottingham Ningbo, China (Co-Chair)
Mr Runmao Wang (Jilin University, China, Director of the Office of Secretariat, ISBE)
Professor Yan Liu (Jilin University)
Professor Andy Chan (UNMC)
Dr Xialing Liu (UNNC)
Dr Deborah Adkins (UNNC)

Sponsors:

International Society of Bionic Engineering (ISBE)
University of Nottingham, UK
University of Nottingham Ningbo, China
Jilin University, China
Royal Society, UK
National Natural Science Foundation of China
