

STEWARDSHIP

the exchange of holy currency

IS YOUR STEWARDSHIP PLAN ALL ABOUT MONEY?

it can be so much more.

We invite you to join us at the Hollis Lodge on Saturday, September 21st for an opportunity to explore the exchange of holy currency in our congregations & world.

This co-sponsored learning event, will explore the exchange of **Holy Currencies**, which is a holistic model for stewardship and congregational vitality, moving beyond “time, talent, and treasure” to create missional and sustainable ministries. This model with its processes, enables church leaders to understand, develop, and utilize five other kinds of currencies besides money that are essential for today’s ministry. These currencies are: **Time & Place, Gracious Leadership, Relationship, Truth, and Wellness**. Each of these currencies flow and recirculate to form a **Cycle of Blessings** which empower congregations to strengthen their internal relationships as well as reach out and connect with the diverse populations in their neighborhoods.

COME GROW WITH US.
