

Just a few fundamentals to be spread throughout the Land so that all the people know!!: The common law is common sense, it's the Supreme law of the land, and it's very simple, common sense, common truth and it's "THE only true LAW"! It's this and only this.. "Don't infringe on another human beings natural inherent un a lien able Right to life , liberty or property...PERIOD!!!, Simple common sense, so that everyone knows!, That's why The Criminal Enterprise called the BAR was sent here by the Bankers to obfuscate usurp and corrupt our common sense and our common law, to make it unrecognizable to the common people so that they BAR attorners could twist/turn it to benefit (profit =ill gotten gain=fruit of the poisoned tree) only themselves (Bankers and BAR members) But as the saying goes "Three things cannot be long hidden: the sun, the moon, and the truth. ..And the truth is that only they are bound to obey thier made up twisted rules =codes and statutes, they call laws, They made them up and they knowingly, with full disclosure to themselves, voluntarily entered into contract/covenant by oath to abide by thier made up rules, You and I did' nt , and their made up rules (laws) can not be imposed upon the free Sovereign people of this Country without my,, your, our informed consent, That's common sense and common Law too! So Stop Consenting, Say "I do not Consent" I invoke my right to a common law Jurisdiction" (Trial by a jury of my peers) it really is as simple as that! Unless they have a witness willing to swear under oath that you violated the supreme law of the land, as stated above, there is no case, or unless a plaintiff can produce some contract that you entered into knowingly and voluntarily after full disclosure of all the terms and conditions therein and that you are somehow in breach of (How can you breach something you were never informed of or agreed to?), again there is no case! And of course there is never a contract that you would have entered into that meets those criteria, Drivers license, mortgage contract, voter registration , tax filings, none of them, Their all fraud. and fraud vitiates, everything (renders whatever it is null and void of law). Ex dolo malo non oritur actio. Out of fraud no action arises; fraud never gives a right of action. No court will lend its aid to a man who founds his cause of action upon an immoral or illegal act. As found in Black' s Law Dictionary, Fifth Edition, page 509.

"Fraud destroys the validity of everything into which it enters," Nudd v. Burrows, 91 U.S 426.

"Fraud vitiates everything" Boyce v. Grundy, 3 Pet. 210

"Fraud vitiates the most solemn contracts, documents and even judgments." U.S. v. Throckmorton, 98 US 61
McNally v. U.S., 483 U.S. 350, 371-372 (1987), Quoting U.S. v. Holzer, 816 F.2d. 304, 307: "Fraud in its elementary common law sense of deceit - and this is one of the meanings that fraud bears in the statute, see United States v. Dial, 757 F.2d 163, 168 (7th Cir. 1985) - includes the

deliberate concealment of material information in a setting of fiduciary obligation. A public official is a fiduciary toward the public, including, (Congress) and in the case of a judge, the litigants who appear before him, and if he deliberately conceals material information from them he is guilty of fraud.
