

Marathon Central School District Mode of Learning and Bus Change Request for Second Semester

Families will be given the opportunity to change their current mode of learning and/or their mode of transportation for the second semester.

- If you are requesting a change, forms must be returned to the District Office (1 Park Street, Marathon NY or scanned to Heather Euson (eusonh@marathonschools.org) **NO LATER THAN December 23rd.** This will allow the district time to rearrange schedules where needed.
- This form does not apply to the daily special education program. For questions or changes regarding that program, please contact the main office of your building or the special education office.
- **If no mode of learning or transportation change is needed, do not return this form.**
- Based on the changes requested, your child's school or remote schedule and teacher may change. If transportation requests significantly increase, the district may need to move to a red/blue run which will transport students to and from school in shifts.
- Once changes are made, we will provide new schedules/teacher assignments where needed prior to the beginning of the second semester (February 1st).
- These modes of learning/bus changes will remain in effect for the remainder of the 2020-2021 school year.

If no form is received by December 23rd, your child's learning mode and transportation mode will remain the same. If you have questions, please call the main office of your child's school.
