

Neighbourhood Plan Steering Group
8 Jan 2020
Craft Barn, Hawkeridge

Present: John Masson, Andy, Lynda, Sophie, Dan, Keith, Steve, John

Traffic survey reviewed
Another traffic survey has been started in Dursley Road

Discussed format of consultation meetings. Concern about printing flyers (done by Jim previously) and publicity.

Intended format of consultations:

- 1) Presentation about what a Neighbourhood Plan is
- 2) Talk through rationale and the sections
- 3) Talk through the main policies, objectives and tasks are for each section
- 4) Invite feedback

Discussed the use of references to other documents. Agreed that we should ensure these do not infringe copyright. Include references in the main document relevant section AND include a separate list of all references.

Andy agreed to draft the Housing section in readiness for the consultation.

(Note for Andy - look at application for 27 Hawkeridge which was rejected.)

John M will request a journalist from a local paper to be present.

Steve will get 4 or 5 copies printed in ring binders to circulate at the meetings. Draft flyer (A5 x2 per page) Steve will try to get printed.

Heywood Parish Neighbourhood Plan Public Consultation Meetings

Have your say on the vision and objectives for the next decade and beyond for the your parish.

Key topics

- 1) Housing
- 2) Transport
- 3) Economic Development
- 4) Environment, Energy, and Green Space
- 5) Community Amenities

Your views are important. A Neighbourhood Plan will create a clear vision for the future of Heywood.

Please attend one of the two meetings. See what is being proposed and scribble your thoughts on a post-it.
