## MAUREPAS HIGH SCHOOL COMMUNITY BIKE-A-THON 2015

The Maurepas Community Bike-A-Thon was a huge success! The event was sponsored by the Senior Beta Club and held on October 17, 2015. Over seventy participants rode in the bike-a-thon to raise funds for the Louisiana Senior Beta Club philanthropy, Colors for a Cause, a Louisiana organization that raises funds to support families facing childhood cancer. The participants biked or walked from the Maurepas School gym to Whitehall Grocery, approximately five miles round-trip. Business sponsors included Black Lake Club, Overton Polygraph, Hill Top Inn, [www.theshoppetoo.com](http://www.theshoppetoo.com), The Black Vanity, Charlie's Restaurant, Community Car Wash, Whitehall Grocery, and The Hangout. Overall, the bike-a-thon raised \$2168.82 for Colors for a Cause! The Senior Beta Club and its sponsors, Ms. Yvette Hill and Ms. Shannon Gautreau, would like to thank everyone who rode in the bike-a-thon and all of the community members who donated for this worthy cause!

Mrs. Yvette Hill

And to mark this special event, Sr. Beta will sell raffle tickets to win one of the five gift baskets donated by different clubs of our school. Gift baskets will be displayed in the office through the month of November. The sale will start Monday, November 23rd. More info in our next issue.

## A WOLF IN D.C.

Recently, **L.A. Salinas** took a trip to Washington, D.C. as part of the People to People Ambassador Program. L.A. was nominated to attend the ambassador program last school year by Miss Lacy Guidroz Blanchard. Students from all around the country gathered in Washington to learn more about our country.

During his visit, **L.A.** explored the U.S. Capitol, and Library of Congress. He visited the Lincoln Memorial, the Martin Luther King, Jr. Memorial, the Smithsonian, the Washington Monument, and Arlington National Cemetery where he was able to see the changing of the guard at the Tomb of the Unknowns. He also visited the National WW II Memorial, the Vietnam Memorial and the Thomas Jefferson Memorial. This was an experience of a lifetime and **L.A.** is grateful for his time in Washington.

Mrs. Cindy Overton

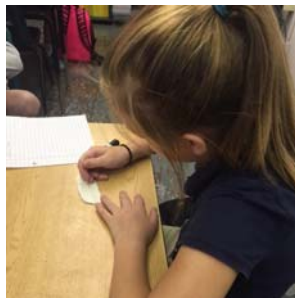

## IN THE CLASSROOM!

**4th graders** made and enjoyed butter during their Little House on the Prairie Unit.

**5th Grade Science classes** discovered that a chemical reaction between baking soda and vinegar can blow up a balloon! That is because it creates a new substance - carbon dioxide! **IT WAS A GAS!**

October has been a busy month in **Social Studies**. **6th grade** created their own way of writing (cuneiform) and "scribed" on clay "tablets" as part of our ancient civilization unit. It was such a great experience we did it **TWICE!**

We also created pink ribbons in honor of Breast Cancer Awareness and so much more.
