TORAH STUDIES March 6, 2021

**Ki Thissa (When you count)
chapter**

Exodus 30th chapter: 11 - 34th

Questions

- 1 The Almighty said to Moses that He would destroy the stiff-neck Israelites and make from him a great nation. If the Almighty would have destroyed the people would this have annulled His promise to Abraham? (*Genesis 13:16, 17:4-6, 22:17*) **Why or Why not? Please explain.**
- 2 Did the prayer and plead of Moses to the Most-High G-D not to destroy the Israelites stop the Almighty from performing this act or did it delay the action?
- 3 What passage can you use to prove that G-D wants His servants to be clean physically as well as spiritually?
- 4 Name the things that went into the *holy anointing oil* and how much of these items went into the mixture.
- 5 What did the Israelites do whenever Moses traveled from his tent to the tent of meeting? Secondly, give a possible reason(s) why this act was performed?
- 6 Aaron's proclamation to have a feast was in whose honor, the Almighty or the calf?
- 7 **Read Exodus 32:1-6.** Give a synopsis of the passage. **Research** and find what the standard rabbinical Jewish belief of this passage is. **Do you agree or disagree** with this interpretation?
- 8 Is the phrase *Golden Calf* used in this Torah reading? Is there any scripture in today's reading that can prove the molten *calf* was gold in color? Who made the molten calf?
- 9 According to this reading was all the first-born children of Israel redeemed?
- 10 According to the Torah, what time of the year does the *feast of ingathering (Succoth)* come?
- 11 Why did the Israelites ask Aaron to make them an idol; did Aaron build an altar for this idol?
- 12 How many tables of stones did the Almighty command Moses to hew?
- 13 Israelites were not allowed to cook any baby animals in their mother's **milk or blood?**
- 14 Did Aaron tell Moses the truth about who made the molten calf?

After Reading the Torah Reading

- 1 What is the major theme in this Torah reading?
- 2 What did you learn after reading this Torah reading?

LET US REASON TOGETHER

1 Moses was definitely angry with the Israelites that worshipped the molten calf. Perhaps he was still in a state of anger when he caused them to drink water with the powder of the calf mixed in it? List some of the possible negative effects of deciding judgment while in the state of anger.

2 In today's Torah reading (*Exodus 32:14*) it states that the Almighty 'repented'. The Hebrew word in this verse is normally translated repent. After finding the definition for the word repent do you believe the Almighty repents?

FREE FOR SENIORS 60+ and offered virtually

through Zoom! We offer three six-week programs: a Chronic Disease Self-Management Program, a Chronic Pain Self-Management Program, and a Diabetes Self-Management Program. Each program meets weekly for 2.5 hours via Zoom over the course of six-weeks. See more information below about each program. Flyers are also attached and can be shared widely.

Chronic Pain Self-Management Program: Tuesdays - February 2nd, 9th, 16th, 23rd, and March 2nd, 9th

Time: 10:00am to 12:30pm

In the Chronic Pain Self-Management Program, participants will learn tips and strategies to take charge of their chronic pain, deal with problems such as frustration, fatigue, isolation, and poor sleep, and learn how to become more involved in everyday activities.

Diabetes Self-Management Program: Wednesdays, February 17th, 24th, March 3rd, 10th, 17th, and 24th

Time: 10am-12:30pm

In the Diabetes Self-Management Program, participants will learn about making a healthy eating plan, managing blood sugar levels, balancing eating, physical activity and medications to prevent problems as well as managing diabetic-specific problems.

Chronic Disease Self-Management Program: Thursdays, March 11th, 18th, 25th, April 1st, 8th, and 15th

Time: 10am-12:30pm

In the Chronic Disease Self-Management Program, participants with chronic conditions such as high blood pressure, asthma, heart disease, and diabetes will learn new ways to take charge of their health and learn tips to manage pain, depression, and overcome physical limitations.
