To help offset the cost of ice time and other expenses, Thomas Creek Figure Skating Club members and Mirror Images team members are required* to participate in fundraising opportunities. We have two fundraising opportunities coming soon. Both are fundraising campaigns we have done in the past that have been very successful.

Starting September 6th through September 30st we will have a Yankee Candle fundraising campaign. This fundraiser offers more than just fantastic smelling candles – there is a wide variety of items available for sale. I'm positive you will find something for everyone! Think: gifts for teachers, bus driver, the mail man, or yourself!

You can promote this fundraiser electronically or in person. This is a link to a description of the campaign that also includes a link that you can use to promote the fundraiser using social media or email. On Sunday Aug 18th or Saturday Aug 24th please see me at the rink if you prefer to have catalogs and paper materials. This fundraiser provides a payback of 40% less shipping to the club, which is amazing!

In October we will also have a wreath sale for the Holiday season. This has been a very popular fundraiser for us in the past. I will send out the details in the near future.

If anyone has other ideas for additional fundraising opportunities that you think we should offer, please send them my way.

**Thomas Creek Club Members are required to raise \$150, Mirror Images team members have an additional fundraising commitment of \$75 (for a total of \$225). If you choose not to participate in fundraising you can pay the required amount - but wouldn't a candle and wreath be better? 😊*
