I About Chongqing Chongqing Charm

Located in the southwest of China and east of Sichuan Basin, Chongqing is one of the four municipalities, with glamorous and profound history and culture.

Being the economic and financial center and high-tech base at the upper reach area of the Yangtze River, Chongqing is known as the "City of Hot Pot", "City of Bridges" and "City of Hot Spring" in China.

City of Hot Spring

Climate & Transportation

Climate:

The humid subtropical monsoon climate in Chongqing is very pleasant for living, with an average temperature every year of 18°C.(coldest in winter:6°C)

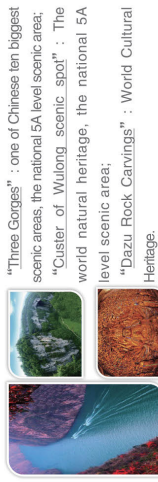

Transportation:

Chongqing is nurtured by two famous rivers (Yangtze River and Jialing River), and covered by nets of railways, express ways, rivers, airlines and even pipeline transportation. Moreover, Chongqing Jiangbei International Airport is regarded as one of the ten biggest airports in China.

Tourism

Chongqing is a popular destination for travelers with its wonderful scenic spots and sceneries, including famous mountains, rivers, forests, hot springs, waterfalls, canyons and caves.

There are plenty of wonderful traditional ancient cultures of China here, such as "Bayu culture, Three Gorges culture".

Shopping & Eating

Shopping:

Chongqing has five large shopping centers where one can buy things and eat different dishes from all over the world.

Jielangbei of Yuzhong District

Guanyinqiao of Jiangbei District

Nanping of Nan'an District

Three Gorges Square of Shapingba District

Yangjiaping of Julongpo District.

All the shopping centers are connected by all kinds of city traffic network, so one can reach each of them in a short time.

Dining:

The main cuisine in Chongqing is Sichuan Cuisine, one of the Eight Cuisines in China, and it features spicy and hot flavors. Besides, the Hot Pot is widely known.

Education

Chongqing is one of the eight main cities famous for universities and colleges and it has the largest number of colleges in southwest of China. Some international schools (Yew Chung International School) are even here.
