

Ms. Christina

This is Christina's second year at Edgez Dance and she is so excited for another amazing year!

Christina began dancing at age 4 and immediately fell in love. Since then, she has trained in ballet, pointe, lyrical, top, jazz, musical theatre, and contemporary. She has also taken part in several musicals over the years, including Children of Eden, Mary Poppins, Little Mermaid, Oklahoma, and most recently Oliver. Christina is set to graduate in the summer of 2022 with a Bachelor of Art in Interdisciplinary Studies and a Minor in Dance from UCF. Christina also performed with Living Water Dance Company as a senior company member and assistant choreographer. This past season Christina worked as an EDPT Co-Director and choreographed multiple pieces for the EDPT and EDST teams. Christina is excited to continue to share her love for dance with all the wonderful dancers at Edgez!
