Tacoma Propeller Club Members and Supporters!

For 60 years, the Tacoma Propeller Club "Chowdown" has been an annual tradition enjoyed by thousands of people in the maritime community and the public. Not only does it support the maritime industry and college scholarships, the event is also plain good fun.

This event would not be possible without the generous support of our sponsors. Nor would the important work of the Tacoma Propeller Club. Net proceeds from the Chowdown go directly to the Lelli Memorial Scholarship Fund, local Sea Scouts chapter, and the Tacoma Seafarers Center.

Please help us with our mission of promoting and encouraging maritime interest and commerce, including the continuation of the Lelli Memorial Scholarship. With your 2017 Chowdown sponsorship, the Tacoma Propeller Club can continue their hard work!

Chowdown sponsorships provide your business with marketing and promotional opportunities; promote maritime industry and several local non-profits; support the work of the Tacoma Propeller Club including advocacy, referrals, communication, and promotion; acknowledge your community support, and fund a great community celebration. Please keep in mind that the sponsorships are limited. See next page for sponsorship levels.

The deadline for receipt of sponsorships and logos is Friday, April 21st.

The 61st Annual Chowdown will be held Friday, May 19th. Food is served starting at 6:00 pm until it's all gone. The event will take place in the Port of Tacoma with the exact location to be determined in the near future. At the Chowdown there will be live music, a raffle, all you can eat seafood, and drinks. The cost of a ticket covers your food but drinks are available for script called "clam bucks" as the bars are no host. Last year we had just over 1000 ticket holders but have seen as many as 1500 attendees in past years. *Ticket sales are limited again this year* so do not delay in purchasing your tickets!

If you are interested in sponsoring this year's event, please contact Angela Angove at aangove@hotmail.com or 253-732-6347 as soon as possible.
