### Ten Little Froggies

One little froggie goes hop  
Along comes another and they just can't stop  
so...  
Two little froggies go hop, hop  
Along comes another and they just can't stop  
Three little froggies go hop, hop, hop  
Along comes another and they just can't stop.  
soo  
Continue in this manner and end as follows  
Ten little froggies go hop, hop, hop, hop hop  
Drop! time to stop  
Hop each time you count the froggies...and  
when you get to ten hop ten  
times and count on fingers...fall gently down  
to floor

### Little Froggy

Sung to: "I'm a little teapot"

See the little froggy  
Swimming in the pool  
The water's great-  
It's nice and cool  
when he gets all cleaned up  
Out he'll hop  
Squeaky clean  
From bottom to top.

See the little froggy  
On the lily pad  
Trying to catch flies  
She's getting sad.  
When she catches one,  
She'll gobble it up  
Back in the water  
She'll go kerplow!

### Five Little Speckled Frogs

(Squat on the floor like frogs. One by one take it in  
turns to be the frog  
that jumps into the pool. Teddy bears and other  
toys make great frogs if there  
isn't enough children.)

Five little speckled frogs,  
Sat on a speckled log,  
Eating the most delicious bugs.  
Yum, Yum.

One jumped into the pool,  
Where it was nice and cool,  
Then there were four more speckled frogs. Glub,  
glub!  
Five....Four....Three....Two.....One

### Five Little Frogs

Five little green frogs sitting in the shade  
The first one said, "What shall we do today?"  
The second one said, "Let's catch some flies."  
The third one said, "They're much too wise."  
The fourth one said, "How about a swim?"  
The fifth one said, "Let's join him."

So the five little frogs jumped into the pool  
Swimming & splashing & staying  
quite cool.
