

Stage Risers

Stage risers - For your next event consider stages from DSM Events. These are made from individual risers so there are many options for the size of the finished platform. The individual units feature 3/4" plywood tops on 2" steel tube adjustable legs for strength. Steel stairs and safety rails are available along with our unique 4' x 8' x 3/4" carpeted plywood top panels for a real custom appearance.

State of the art LED stage lighting equipment and DMX controllers are available also as are complete audio systems.
