And Now.....

THE NEWS

When you are busy the month just flies by as did February for me. The feature for the second meeting in March is play a duet with someone you don't usually do one with. Maybe a lead player can reach out to a chord player?

News from Lee Taylor is that his son has recovered and is moving home, very good news. Expect to see Lee at our meetings again!

SPAH registration is open in case you hadn't heard. Dues are now due for 2020 and if you haven't already gotten a check or cash to our Treasurer, Ed Martin, please do so.

Suzuki has a new bass harmonica out, and for several months I might add, it is a chromatic bass and comes in 3 models pricing around \$700 for the 16 hole and down for the others. Quite the instrument, appears to be blow and draw, hole spacing like a standard chromatic so tongue blocking is necessary I imagine. Videos on U-Tube, impressive.

Our picnic for July 4th celebration will be on June 21st in the south pavilion at the park as last year. I forget the name of the park but that will be forthcoming as we get closer to the date.

Mark your calendars from 1:00pm until 5:00pm.

At the last meeting in April plan on playing a song with a city or town in the title.

Please do not forget to mention Mile High Harmonica Club to new people you meet and ask if they play or are interested in learning to play. This will help our club to attain new members. Give them one of our business cards!

See all of you on 3/8 and 3/22! Dick

Dues are Due —

It's that time of year, when we ask you to support the club by getting your dues in. Just think of what you get for only \$24 - good comradery with people who enjoy playing or just listening to harmonica music; a summer picnic and a holiday party; and classes taught by experienced players. **What a bargain.....**
