

Property For Licence for farming purposes:

The northernmost portion of the land parcel is not cleared. If there is a desire to clear for farming should be discussed with the Municipality.

Some of the Property is inaccessible due to wetlands/lowlands or bush.

A portion of this property has been regularly farmed.

Total land area is 143.6 acres, but not all of it is tillable.

The Municipality will reserve the right to cancel (at any time) use of the 3 acres fronting Highway 608, however, the balance of the property can be licenced for a term of up to 3 years.
