

Consul General Austria Inducts Philippines Canada Trade Council's New Board Officers

18 November 2019 – Consul General Maria Andrelita S. Austria (center) presides over the induction of the newly-elected officers of the Philippines Canada Trade Council (PCTC) held at the ACSEND A School of Management. In her remarks before the oath-taking, Consul General Austria shared her observation that the huge Filipino community presence in British Columbia doesn't match its economic footprint. Seeing this as an opportunity to work together, she told the Board's new leadership that she looks forward to partnering with them in a major project for 2020.
