

March 20, 2017

As you know registration for 2017-2018 is underway. We officially opened registration to the local community and parishes last Monday. We are extremely proud of the education and values we impart on our students. They are wonderful representatives of Holy Spirit Catholic School and the mission and values we believe in. Below are key elements that can promote our school and increase enrollment.

### **HSCS MISSION**

In partnership with families, the Holy Spirit Catholic School provides the academic, spiritual and social environment for the personal growth of each child as a whole person with responsibilities to God, the nation, human kind, all creation and self.

### **VALUES**

**Catholic Faith**—Assisting families in teaching traditions of the Catholic Church and promoting the practice in a nurturing environment. Giving students a strong foundation based on faith and a quality education.

**Excellence in Education**—Making the best use of available resources with the most effective educational practices in a nurturing environment. Giving students a strong foundation based on faith and a quality education.

**Community**—Fostering an environment within the school and parish community where parents, students, faculty and staff are welcomed, included and acknowledged for their contributions.

**Respect**—Expecting students, faculty and school families to treat each other with the courtesy and encouraging students to exhibit the same behavior in the community.

**Discipline**—Establishing clear boundaries and creating a structured environment conducive to quality education.

**Accountability**—Encouraging students, faculty and families to take responsibility for those things that are in their control and to follow through with commitments.

**Consistency**—Delivering a quality educational experience and maintain it year after year.

**Leadership**—Maintaining a visible and active presence within the community and standing as a model of strong values and excellence in education.

Keep in mind our scholarship and referral program. All current and incoming families are eligible.

Rice Bowls to support Catholic Relief Services have been given to the children if they would like to contribute as part of their Lenten sacrifice.

I would like to express my gratitude to everyone who has played a part in Havana Nights on Saturday. All our efforts will make it successful! Join us for the festivities—fun, food and fellowship.
