

Dear USATF Stakeholders:

Earlier this spring, USATF notified you that we had conducted a bidding process for the 2017 USATF Youth Outdoor Championships, with a city putting forward a bid whose technical merits were approved and endorsed by the site selection committee.

At the 2015 USATF Annual Meeting, the Youth Committee voted not to accept this bid. We are pleased that last month the USATF Illinois Association stepped forward to fill in to host the 2017 USATF Youth Outdoor Championships. Dates for the meet will be June 26-30, at Benedictine University in Lisle, Illinois. Online athlete registration for the 2017 USATF Youth Outdoor Championships is currently live at [www.athletic.net](http://www.athletic.net).

Meet information will be made available by USATF-Illinois and posted at [www.usatf.org](http://www.usatf.org) upon receipt.

As previously announced, 2017 USATF Hershey National Junior Olympic Track & Field Championships will be held July 24-30 in Lawrence, Kansas.

Thank you for your support of youth track & field, and good luck during USATF's summer competitive season.
