No Old business

Match Play: Roy Osborn forfeited on a No Show. Liv. Kelley and Bill Strawn must play with the next 2 weeks

A club member asked about the use of range finders and the use of the 'slope' indicator. Per USGA rules, 14.3, the committee, JCGC, can and does specify that distance finding devices CAN be used in JCGC tournaments. However, appendix 1-7 says that the 'slope' function is NOT allowed. There is a 2 stroke penalty for the use of 'slope'

Blair Yount moved that the JCGC Will allow distance finding devices but that the use of the 'Slope' function will Not be allowed during JCGC sanctioned functions. 2nd by Mike Bowler and the motion passed.

Karen Dean volunteered to coordinate 8-6-18.

All member are reminded that they MUST check in with the coordinator prior to play. This is a requirement even if you are not in the pool. Also all guest must check in. The coordinator has to know exactly how many players there are . Please do this as soon as you get to the course.

If a new member has a GHIN # from previous play, that player will have a handicap from Car. Golf Ass. when the GHIN is transferred.

There are only a few members volunteering to coordinate matches. This puts an unfair burden on these few. There are still weeks open that you can volunteer this year. All members are asked to contact Tony Stiers and pick a week.

Members are reminded, during Match Play, the player farthest away MUST play first. In Tournament Play, ready golf is allowed, not in Match Play.

Blair Yount to check on updating the local rules page of website.

Next meeting will be August 23,2018 at 7:00 PM, 1st Presbyterian Church.

Livingston Kelley moved to adjourn, Mike Bowler 2nd, and the motion passed at 8:32 PM.
