

ANNUAL REPORT FOR ACADEMIC SESSION 2019-2020

Sri Jnanakshi Vidyaniketan was founded in the year 2000 with the divine blessings of Mother Rajarajeshwari and His Holiness Paramapujya Sri Sri Sri Tiruchi Mahaswamigal and His Holiness Paramapujya Acharya Mahamandaleshwar Sri Sri Sri Jayendra Puri Mahaswamiji. It has grown by leaps and bounds during the last **nineteen** years with the sole objective of providing value based quality education to all - without seeking donation. School fee is moderate too. The strength of students has gone up to **2,065** and the number of staff to **174**.

The magnificent building before you and the massive structure now under construction to accommodate another 2,000 students is the vision of Paramapujya Swamiji and these constructions have been made possible with the generous contributions from the devotees of Sri Kailash Ashrama Mahasamsthana and Rajarajeshwari Temple. The land of five acres and 25 guntas is leased out to Sri Jnanakshi Educational Institutions Trust by Sri Kailash Ashrama Mahasamsthana Trust. However, seventeen acres of land are available for our students to enjoy while learning and growing. It is worth noting that no amount was and is being collected from parents as school building fund or donation. Funds for the same have been mobilized by devotees locally as well as abroad. The construction work was stopped temporarily due to scarcity of funds and the work has started once again.

The vision of Paramapujya Swamiji was and is to provide Quality Education to the under privileged, socially, economically and academically challenged students. Keeping in view with the “**vision and mission**” of our titular head, we have **26** philanthropists who have undertaken the cause of educating **51** underprivileged students. Dhrihya Foundation sponsors education for 10 students of our school and 5 students from Sri Jnanakshi Shobhodaya School. Smt. Radhamani donates Rs. 2 lakhs for education and midday meals for our sister concern school. **50** staff children are studying in our school for whom 50% tuition fees is exempted.

INFRASTRUCTURE AND FACILITIES: -

By way of infrastructure massive school building houses and provided facilities like well-equipped computer labs, Audio Visual room, and individual labs for Chemistry, Physics, Biology and Mathematics. We have a well-equipped library for senior classes with about **10,471** books besides leading newspapers, magazines in various languages catering to teachers and students alike. This academic year we are proud to say that we have added **2,613** books for the senior library and a new junior’s library i.e. classes I to IV with **1,500** books; totaling to **11,971** books in all. We are blessed that we have one of the biggest playgrounds in Rajarajeshwarinagar.

New Projectors have been installed in the NIE Hall and AV Room in the new building.

Twenty-five new Dell systems have been installed in different departments, office as well as nursery block.

The Junior's Computer Lab is now functional in the new building. A total of 40 systems have been installed for students' use. Finger Print Scanner (Bio Metric), printer and Xerox machine are installed in the nursery block. Two new Xerox machines and two new printers have been purchased for school use. K Class and the laboratories are used along with innovative methodology to impart knowledge in Science.

GPRS and CCTV camera have been installed in all the school buses. CCTV cameras are installed in all the classrooms and corridors.

COMMITTEES

Student Council is also functional. The school captains from class X and vice captains from class IX are nominated and elected by students and teachers. House leaders are selected by the house teachers and sports teachers. These students with the help of the Student Council teachers help in the smooth functioning of the school.

Various committees are formed to look into the smooth functioning of the school. **In House Counseling Committee** looks into the academic performance of the students and gives guidelines to students to improve in their performance. We support students with learning disabilities in a scientific and

organised manner. The students are assessed by leading professional clinical psychologists and as per their guidance, they are counseled, coached and supported by special educators in the **Resource Room**. Resource Room supports children with learning disabilities. These children could not cope with the mainstream level of curriculum. On evaluation, they have been found to require special education. They come to the “Resource Room” for English and Mathematics. Strengthening their skills in English and Mathematics will help them manage other subjects also. They are taught by “Special Educators” using “Individual Education Plan” based on their strengths and weaknesses. “Resource Room” also helps them to build their confidence and self-esteem. At present there are 38 students in the resource room.

The Cultural Committee looks into the programmes conducted for the various functions. **Child Protection Committee (POCSO)** looks into any case of unsocial behaviour. It looks into problems faced by students. This committee involves two girl students are also involved along with lady parents as committee members.

Trip Committee organises educational trips for staff and students.

SCHOOL MANAGEMENT COMMITTEE It was formed based on the directives given by the CBSE.

The SMC meets twice a year for a better dialogue between parents and management. Dr. Prabhu and Smt. Nagashree Deepak tendered their resignations which were accepted in the SMC meeting held on 5th Oct 2019 and recorded their valuable services rendered. PROPOSED STEPS FOR THE DEVELOPMENT OF SCHOOL AND IN TURN STUDENTS.

To accommodate the increasing demand for seats for various classes, construction of a massive new building has been taken up wherein by next academic year, 22 classrooms will be added and in the course of three years, we will have 100 more classrooms. We are going to increase the number of sections from play home to class X. We will have five sections of each class in gradual growth process. Pujya Swamiji is mobilizing funds for the construction from devotees in India and abroad. No donation is collected from the parents. Parents may contribute voluntarily their generous donations and such donations are eligible for exemption of tax under Section 80 G of I T ACT 1961.

- Bhagavad Gita Shloka chanting and spoken Sanskrit will be part of curriculum from play home to class X under the guidance of Pujya Swamiji where students will learn the Shlokas and its meaning.
- Tinkering Lab will also be introduced. We have applied for '**Atal Tinkering lab**' and are waiting for a positive response.

- Fire safety measurements work is ready as per guidelines given by Fire Protection Department of Karnataka.

It is a matter of honour to our school that Paramapujya Mahaswamiji has provided us the divine opportunity and responsibility to serve two rural schools under the Rural Education Programme.

1. **Sri Rajeshwari Vidyanikethana, Devarapura, S. Coorg**, provides 100% free education, midday meals and transportation. The school follows Kannada medium for classes VIII to X and English medium for class LKG to Class IV. The student body comprises of children of the coffee estate labourers. They commute from about 30 km radius to attend school. Class X result was **97.65%** and we are proud to say that it secured the best results in Kannada medium in Kodugu district.
2. **Sri Sharada Devi Vidyashala**, an English medium school, **Gundlukothur, Gowribidanur** provides free mid-day meals partially **sponsored by Shri K V Ramani (Sai Trust, Chennai)** Students commute 25 to 30 km to attend school. Seven school buses have been provided to ensure that students reach school safely and on time. This English medium school has secured **97.25%** result in class X state syllabus. It too has secured the best result in Chikkaballapur district.

With the blessings of His Holiness Pujya Swamiji's and his guidance we now have responsibility of two more schools. They are: -

3. **Sri Rajeshwari Montessori School, Rajarajeshwarinagar, Bangalore**. We have 18 students studying at Levels 1, 2 and 3 with two competent teaching staff and one assistant.
4. **Sri Jnanakshi Shubhodaya School, Sri Tiruchi Swamigal Double Road, Rajarajeshwarinagar, Bangalore** is especially for the divinely abled children living in and around Rajarajeshwarinagar. At present, we have **23** students with a team of **12** dedicated teaching and non-teaching staff along with volunteers.

Indian Resource Council (IRC) conducted 13th Kalangaana 2019 at Vidya Vihar from 19th to 21st November 2019. 1,200 participants from sixty schools in and around Bangalore participated. The students of Sri Jnanakshi Shubhodaya School participated in four events and secured prizes in group dance and solo vocal.

The past academic year went by smoothly with the collective efforts of all involved i.e. teaching and non-teaching staff of this institution. The management hopes and pray that the same continues in order that our institutions scales greater heights in the years to come.

Those willing to contribute voluntarily to the development of the school and contribute to the economically underprivileged students' tuition fees may do so and such donations are eligible for exemption of tax under Section 80 G of I T ACT 1961.

The dedicated members of staff and the management takes care of students under the guidance of His Holiness Parama Pujya Acharya Mahamandaleshwara Sri Sri Sri Jayendra Puri Mahaswamiji in the best

possible manner so that they become an ASSET to the society and their parents feel proud of their achievements.

Sri Jnanakshi Vidyaniketan re-dedicates its service to uplift the under privileged children so that they bring laurels to their Alma Mater. Let Goddess Mother Rajarajeshwari and our holy gurus to bless us in all our future endeavours.

Thank You.
