Quotes:

“I am confident that she has the experience, organization, and communication skills to become a business leader. Receiving the Anchor Scholarship will aid her pursuit of personal and career growth. She already lends her time and effort to help others. If granted this honor, she will use it to excel in her academic program and give back to others in kind.” **Brett Hyman** - Director of Customer Success at Invoice Cloud

“I want you to know that because of your actions, you have helped this mother and military spouse show her children and community she supports that anything is possible. You are helping me lead by demonstrating with action that if you try and word hard, you can achieve great things. I truly cannot thank you, the board, the donors, and scholarship staff enough for this wonderful award.” **Lynze**
