Once logged in, click "My Events" then click "Wish for Wendy" to edit your Wish for Wendy fundraising page. On the Home screen, you will be able to update your goal and view "Steps to Success." Using the navigation bar on the top of your screen, you can also customize an email to send out to your supporters and donors, view your progress, and customize your page. We encourage you to make this page your own and have fun with it!

On the Customize Your Page tab, you have the ability to change your URL to something easy to remember and send out to donors. Once you pick something you can remember, stick with it so your donors and supporters can always reference back to it!

If you have any questions about your fundraising page, please contact Shea Pitre at 404.325.6973 or spitre@cff.org.
