Please wear your favorite outfit. We will be asking you why the outfit you picked is your favorite outfit.

Please arrive to sign up by 11:00am. Old Soul show is from 11:30-2:30.

At 11:30 all participants of the pinup contest will be formally introduced to the crowd. I will call you up on stage and you can introduce yourself and tell us about an experience in the pinup world. I will also ask you what is unique about you. You will be judged the entire time you are on stage and while waiting for your turn on stage. After the introduction, I am asking that you talk with and interact with the Old Soul participants. Judges will be watching your interactions. Remember the applause later in the day is also part of the score.

At 1:30 you will take a group picture and then I will ask each of you why the outfit you are wearing is your favorite. This time you will be judged and we will rate the audience applause.

Judges will make their decisions based on 50% judges vote and 50% crowd applause. Judges will judge on appearance, attitude, a question session, & overall ability to appeal to a crowd.

Results will be announced at 2:30, along with results from the show itself.

Grand Prize is a Professional Photo Shoot with a Rat Rod or Boudoir Style shoot with Rebellious Angels Boudoir Photography. This shoot includes one 16x24 print and one digital copy of the print.
