

THE PRINCE OF PERSIA

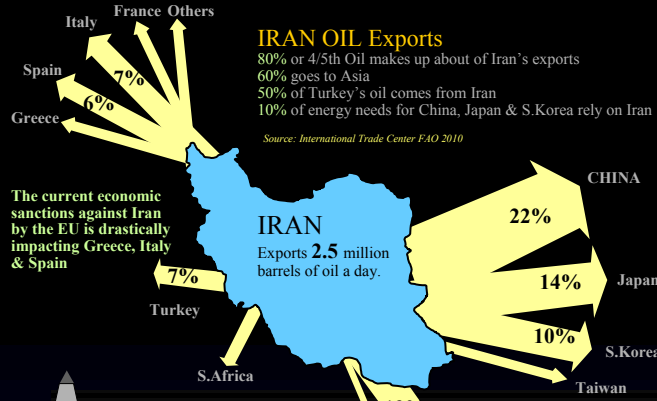

SPIRITUAL CONFRONTATION BETWEEN THE SONS OF JUDAH & ELAM IN THE LAST DAYS

SPIRIT OF HAMAN

The same spirit of Haman that sought to destroy the People of God has risen up again in these Last Days to attempt such a task. The modern counterpart of Haman, *Ahmadinejad*, likewise has sought to publicly announce the need to impose a national genocide upon Israel. The current shia eschatology demands such a scenario in order to usher in their islamic *New World Order*.

The rhetoric used by the Muslim clerics & the Iranian President to eradicate the Zionist 'menace' is taken quite literally by the Israeli leadership; they have to. What is different in allowing Iran to possess a nuclear armory is that it is a pre-requisite & tool to be implemented in the unleashing of the advent of their 'messiah' -the *Mahdi*.

THE RED LINE: The Israeli Prime Minister showed the bomb diagram at the UN on the 67th General Assembly address, illustrating that Iran has been undertaking the following 3 stages to completing & arming a nuclear bomb. He outlined the general stages accordingly.

1st Stage: Is to secure low-level enriched uranium. This Stage has been completed by Iran, although it took several years to do it. (7-12 year process) 1989-2011

2nd Stage: Iran in this Stage is about to be completing mid-level enrichment that is only months away. Netanyahu stressed that a *Red Line* needs to be placed on Iran at this stage. It would prevent Iran from acquiring the last stage of the enrichment process. If this stage is not prevented, it will be a point of no return.

3rd Stage: This last Stage will only take weeks, at most, after the mid-level enrichment centrifuges are obtained. From this point, it will be easy to mount a nuclear bomb on a tip of one of their SEJIL long range missiles that can reach Israel.

Given this likely scenario, the 2nd stage that is about to be completed in about 2-3 months will render the 3rd Stage thereafter in a matter of several weeks to have a 1st bomb. *The Die will have been cast!* This timetable would put the likelihood of Iran having their first nuclear bomb by March of 2014. Iran through & the Islamic clergy can now potential destroy Israel in '1 Day' as they sought to do during time of Esther during Purim. Would this be the date that Iran will seek to strike at Israel? Will this be the time that Israel will strike at Iran as they did against *Haman* & their enemies during the time of Esther & Mordechai in ancient Persia?

'IF I PERISH, I PERISH'...
If the Israeli leadership does not act and induce a pre-emptive strike on Iran -as the Jews did against Haman's plot to annihilate the Jews in 1 Day, the nation of Israel will in jeopardy of literally being wiped off the map. The stakes are too high for Israel to wait on UN inspectors, negotiations and/or sanctions. If *Benjamin Netanyahu* or whomever will be the Prime Minister during this upcoming critical time does not act like Mordechai & Esther, the Jewish nation could perish.

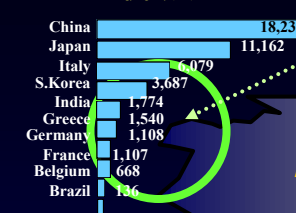

Both descendants of Israel & Iran are expecting their long-awaited *messiah* to come. This 'messiah' is the 'Son of David' for the Jews & the 12th *Imam* or *Mahdi* for the Shia Muslims of Iran & Sunnis in general. Each is holding out that their *messiah* is the one that will defeat & destroy the other. Each holds that they have the true rendition of 'god's final revelation with permission to rule & conquer the world. To the Shia branch of Islam, the Iranian foreign policy has thus sought to aid in the ushering in of their 'messiah' or Mahdi. The 12th *Imam* is said to bring the 'Islamic paradise' on Earth ruling from Jerusalem. This Islamic 'messiah' will make a 7 years pact with the Jews. The Mahdi along with the Islamists *Jesus christ* will convert all the Jews & Christians to Islam -by force if necessary. Christians in general believe that this Mahdi will be the *AntiChrist* of the Books of Daniel & Revelation. This figure will be empowered by the ancient 'spirit of the Prince of Persia', a powerful demonic fallen angel of the legions of Lucifer. As this demonic *Prince of Persia* is to rise against Israel in the Last Days per the Prophet Daniel, spiritually, it is using Iran's current geo-political & religious institutions to manifest this satanic hatred for the GOD of the Jews & His Earthly People as it did during the ancient times of Esther & Daniel in Persia or Iran. Likewise, the Arch-Angel Michael is portrayed as the special guardian or protector of Israel as a counter-weight. Perhaps this future celestial conflict will correlate to an earthly confrontation between Israel & Iran that perhaps may very well be played out during the *Gog-Magog* war.

A RELIGIOUS WAR: At the chore of this stand-off is a struggle for which version of eschatology will prevail & is true. Judaism has to be destroyed according to Koran because it is tied to the LORD's promise of the Land & Mahdi's return. Iran as a pretext for its foreign policy is reclaiming the cause of the Palestinians - their sole claim to the Promised Land. The following is a comparison of their conventional military based on public records.

THE DIE IS CAST—PURIM

In Iran, during the reign of Artaxerxes II, Esther (*Hadassah*) with her cousin Mordechai represented the People of the God of Israel, YHWH the *Seed of the Woman*, that would bring the True Messiah, Jesus Christ. *Haman* represented the *Seed of the Serpent* bent on crushing the bloodline of the Messiah, the Jewish race. *Haman* was a descendant of Amalek; his bloodline also found its way also into the land of Persia. He was like the current counterpart, *Ahmadinejad*, bent on a satanic hatred for YHWH & His People in a quest to kill off the Jewish people & rid them from the Earth. During the 67th session of the UN General Assembly, he once again prayed for this coming *New World Order* to be ruled by the *Mahdi* & that the 'Zionist' state of Israel should be obliterated. Esther saved the Jews in Persia. See Book of Esther for details.

BEHIND THE SPIRITUAL VEIL

During the reign of Cyrus the Great, the Prophet Daniel was in Susa, Iran. His tomb is believed to still be there. A vision of Daniel gives an account where an Arch-Angel contents with the *Prince of Persia* in delivering the answer to Daniel's prayer & supplication. This prayer and/or supplication dealt with the particulars of the coming of the True Messiah, Jesus Christ. Evidently, the 'Kings of Persia' in the spiritual realm was opposed to Daniel having this type of foreknowledge & prophecy about the coming of the Messiah. It is evident that satan did not want Daniel to have a revelation of what would be happening in the future.

THE MESSIAH COMPLEX

According to the Book of Ezra, King Cyrus the Persian (576 BC-530 BC) was used by the Jewish God, YHWH to play a key role in the history of the Jewish people. To this day Cyrus' mausoleum still stands in the *Plain of Pasargad* in Iran. According to the Bible, Cyrus is even called by name in *Isaiah 44 & 45*, hundreds of years before his birth. Cyrus allowed the Jewish Exiles to return to Judah & rebuild the 2nd Temple.
