Medal Outlook

After grabbing high medals at this year's Beast, **David Rump** & **Drew Peck** are solid favorites to return to the stand at ETR. **Aaron Rump** and **Garrett Kyner** should be seeded and will battle for their 2nd ETR medals. **Colin Rumshaw** fell one round short of a medal in 2014 and faces a deep field to try to take the stand this year. **Alondo Wallace** could surprise with a strong tournament.
