***An Apology Repudiated***

We are to blame for giving "the Unreliable" an opportunity to misrepresent us, and therefore refrain from repining to any great extent at the result. We simply claim the right to deny the truth of every statement made by him in yesterday's paper, to annul all apologies he coined as coming from us, and to hold him up to public commiseration as a reptile endowed with no more intellect, no more cultivation, no more Christian principle than animates and adorns the sportive jackass rabbit of the Sierras. We have done.
