A FOOD SHORTAGE IN YOUR LIFETIME?

There are some surprising **facts** that every single American should be aware of. Here are just a few from the groundbreaking newsletter, ***WARNING SIGNS THAT TRIGGERED THE DEADLIEST FAMINES IN HISTORY***.

- *No country is immune from Famine*
- *Our foods are less nutritious*
- *We are being manipulated by our leaders*
- *Our food is not safe anymore*
- *One huge disaster or act of terrorism and we are SOL*
- *To what length will you go to feed your family*

Do not assume that your food pantry and kitchen cabinets will always be full of the foods that you and your family are used to. You may ask, “Is there a way to forecast a food shortage?” Yes there is, despite the bounty we’ve all have gotten used to. Remember, to assume, makes an ass out of u and me.

“The Bread Basket of the World” may soon become a “Food Desert”. How can this be?

Do not be caught off-guard. Read about the lessons history can teach us. Protect what you have.
