Dear Ms. Haas:

On behalf of Good Samaritan Hospital Medical Center's administration, the Good Samaritan Hospital Foundation Board of Trustees, and those we serve, please accept our sincere appreciation for your December donation of toys to our Pediatric Department. Your generous donation helped to bring the magic and joy of the season to our smallest, most vulnerable patients and their loved ones.

On Christmas morning, the families of our pediatric patients enjoyed a special brunch and each child, along with any siblings who visited, received their very own bag of gifts. You helped to make this possible!

Your thoughtful generosity benefited not only the children in the hospital, but will also bring joy to other children in our community who are in need through the hospital's vast network of health and social service partners. Your kind gesture truly captured the meaning of Christmas.

We are humbled by your generosity and support. Thank you for thinking of our patients!

Wishing you happiness and health in the New Year,

Kelly Albanese Scherer
