Please send in your response by **October 31st**. Especially if we have never had a sign for you, or there is an update to be made. It takes time to make and install signs. The later we receive your response the more hectic everything becomes.

Please include your business card (new sign or updating) in return envelope along with any sign updates you have, the tier selection return tab (below), and donation check. Signs are created by Johnson's Signs in Greenville IL. They have the ability to help you make the best sign possible.
