## The Eucharist and Matrimony

“The Eucharist, as the sacrament of charity, has a particular relationship with the love of man and woman united in marriage.” As “the sacrament of our redemption ... it is the sacrament” of Christ the Bridegroom and his Bride, the Church (cf. *Eph 5:31-32*). Moreover, “the entire Christian life bears the mark of the spousal love of Christ and the Church,” “a love culminating in the Cross,... and at the same time the origin and heart of the Eucharist.”

The power of the sacrament of the “Eucharist inexhaustibly strengthens the indissoluble unity and love of every Christian marriage,” and the “mutual consent that husband and wife exchange in Christ, which establishes them as a community of life and love, also has a Eucharistic dimension.”
