

REVIEW PROCESS COMMENCED

Bromsgrove District Council has commenced a district plan review

The first stage is a consultation on how the review will be conducted

The review is looking at the strategic development issues of development, in the Bromsgrove area, up to 2030 and beyond.

The eventual decisions will affect all residents in one way or another

Your Parish Council, in collaboration with the strategic planners, at Bromsgrove D.C., have arranged two open meetings:

1st October 2018 5.00pm -7.00 pm at Fairfield First School

29th October 2018 5.00pm -7.00pm at the Jubilee Room Belbroughton Recreation Centre

The planners will explain the process of the review, its purpose, timescales and what impact that may mean for our communities

The discussions will include seeking your views on how the green belt review will be designed and conducted. **An important issue for us all.**
