January 2016

Dear Prospective Donors and Sponsors,

Please accept this special invitation to become a Donor/Sponsor with the Rialto Youth Collaborative (Federal Tax ID #16-1670590). The Rialto Youth Collaborative provides businesses, professionals, and City advocates with opportunities to give back to the community. Our focus for fundraising is driven by the immediate needs of the youth and your support in this effort will go a long way to help us ensure that we accomplish our mission to strengthen lifelong academic, artistic, and social skills of the youth in Rialto and neighboring cities.

In association with the White House Office of Science and Technology and President Obama's My Brother's Keeper National Lab Week, NASA is inviting organizations and students who do not traditionally have the opportunity to visit local Labs and Centers and engage them in STEM-related activities and learning. In partnership with the White House, NASA is hosting students to tour The NASA Jet Propulsion Lab located in Pasadena California, the week of February 29th – March 4th, 2016. The Rialto Youth Collaborative has identified students who will benefit the most from this experience and we are now in need of your assistance to help fund transportation and lunch for the selected students.

Your decision to support the Rialto Youth Collaborative will be greatly appreciated by all of us here in the City of Rialto and the numerous families who rely on us to provide services and programs in our City that enrich the members of our community. In return for your generous contribution, we will recognize your sponsorship with a certificate of appreciation.

Donation/Sponsorship Tier

Level 1	\$1000
Level 2	\$500
Level 3	\$250

I look forward to hearing from you soon. If additional information is required, please contact me at (909) 820-2544 or email slewis@rialto.ca.gov

Sincerely,

Sheree Lewis
