## **Experience Levels:**

**Less Experienced** – Open Water Certified with less than 10 North/South Carolina boat dives

**Intermediate** - Must have Deep or Wreck specialty certifications (or equivalent dive experience) and at least 2 previously logged dives deeper than 100 feet offshore North Carolina in the past year. Divers are strongly encouraged to dive Nitrox,

## **Cancellation Policy:**

Carolina Dive Centers full cancellation policy is located on our website trip page at [www.carolinadivecenter.com](http://www.carolinadivecenter.com) If Carolina Dive Center cancels the trip you will be given a full refund. We cannot guarantee the clarity of the water or sea conditions. Our boat captain will always attempt to get you to where you want to go, but the safety of our passengers and the vessel is always the foremost consideration. If it is not possible to get you to the primary site, it is usually possible to get you to an alternate site. In that case you will only be charged for the trip that was actually run, cancellation is not an option.

► Up to 14 days prior to departure: Full refund.

► Inside 14 days prior to departure: Dive charter is NOT refundable. However, we will attempt to rebook your reservation with another diver. If we are able to rebook your spot on the charter, you will not be charged.

## **Fuel Charges:**

We are working with our boat charter company to keep costs as low as possible and at this time have not added any fuel surcharges. The largest expense for a dive charter is fuel. With the current unpredictability of fuel costs a small fuel surcharge may be necessary if prices continue to rise. If needed the fuel surcharge will be collected upon departure. THANK YOU for your understanding.
