The Grumpy Woodworker

A walk down row F-South will take you by a huge selection of hand-made American flag wall art. Proprietor and veteran Mike Lang's unique artwork lines the walls of 5 booths and chances are you haven't seen anything like it. While surfing Youtube looking for work bench ideas, Mike stumbled across this process and quickly made it into a successful small business at the market, retiring

from the

truck driving industry to create wood art full-time.

The Grumpy Woodworker uses cabinet grade birch, a laser engraver and a CNC machine to achieve an array of designs. Choose from something already made or bring along your own digital artwork and he'll bring it to life on wood.

the name came from, this not-sogrumpy woodworker was given the moniker by his two daughters.

Prices for his desktop flags start at \$20. If you buy 3, you get one free, so shop with gifts for friends in mind! Desktop flags and hanging flags make a great addition to your man cave, rec room, she shed, office and front door. "It is my goal to spread patriotism and put a flag in

every home in America."

Mike also produces coasters and other laser engraved items. Allow a week for custom orders. In addition to the large selection here at the market, you'll find a gallery of all his creations at GrumpyWoodworker.com. Just

hit the chat button to get in touch with him or email grumpywoodworkerllc@ gmail.com. The Grumpy Woodworker is on row F-South at booths 234, 236, 238, 240 and 242.
