The TruFit Series™ is the versatile line of frameless glass shower enclosures that easily accommodates imperfect vertical surfaces – allowing you to create a contemporary, frameless design that's made to fit. TruFit enclosures can be installed on fiberglass showers, and feature reversible swing doors for ease of installation. With a wide choice of finish options, TruFit enclosures fit almost any décor.

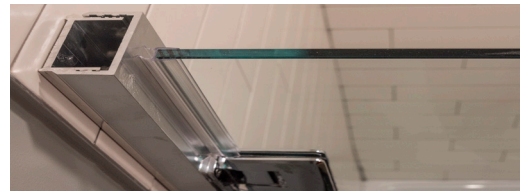

TruFit Series™

Cardinal's versatile TruFit Series is the solution for elegant, frameless, swing-door glass shower enclosures that are easy to configure, order, install and fit. By design, TruFit shower enclosures readily accommodate imperfect vertical surfaces. Reversible swing doors feature pre-assembled, self-centering hinges and hinge rails for time-saving installation.

- Customizable to a wide range of door widths, with heights up to 82"
- All TruFit door units are reversible, allowing left or right swing
- All door glass features pre-assembled hinges and hinge rails
- Self-centering hinges allow doors to swing in and out
- Heavy-duty aluminum channel allows up to ½" adjustment on the door during installation
- ¾" adjustment on the panel is allowed by the deep TruFit U-Channel

Finish Options

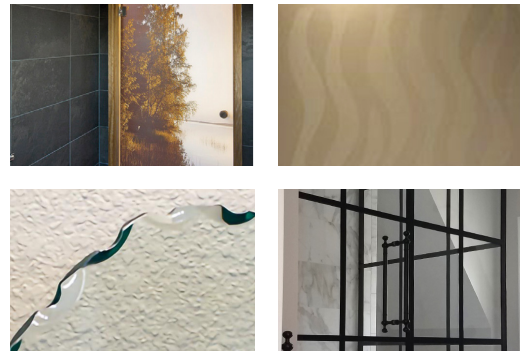

TruFit enclosures are available in four stock finishes, including Brushed Nickel, Chrome and Roman Bronze.

Glass Options

TruFit Series enclosures are available in all standard glass, patterned glass, and cast glass options.

Artisan glass options include Satori™ printed glass, sandblasted glass, chipped edge glass and Vista™ grid pattern printed glass.

Cardinal 10™ Surface Protection

All TruFit Series enclosures are available with Cardinal's proprietary Cardinal 10™ Surface Protection as an optional upgrade. Cardinal 10 provides an extra layer of protection that creates an easy-clean, non-stick surface that repels soap scum, grime, mineral buildup, and more. Cardinal 10 can be easily maintained using a wide range of standard glass-cleaning solutions.
